

## 2016 Service Plans

*This year, we are proud to offer all new service plans for the 2016-2017 season. Our new plans are designed to be straightforward and simple, allowing you to make an easy decision, and give you peace of mind.*

### Our ServicePlus Plan includes:

Annual furnace/boiler cleaning and tune-up

- Keeps system efficiency high, catches problems before they occur, and extends life of heating system.
- Includes nozzle, oil filter, air filter, and pump strainer.
- Clean and Tune scheduled during normal business hours.

ServicePlus

\$249/year

24-hour emergency service provided at **no labor charge**

- On-call Service Technicians are available 24/7

\*If replacement parts are needed, they are charged at current rates.

### Our ServicePremium Plan includes:

Annual furnace/boiler cleaning and tune-up

- Keeps system efficiency high, catches problems before they occur, and extends life of heating system.
- Includes nozzle, oil filter, air filter, and pump strainer.
- Clean and Tune scheduled during normal business hours.

ServicePremium

\$359/year

24-hour emergency service provided at **no labor charge**

- On-call Service Technicians are available 24/7

Replacement parts included at **no charge**

- Covers most replacement parts at no cost to you
- Parts covered: All burner and ignition components (including pump, motor, fan, electrodes, transformer, nozzle, jet line, delay valve, coupling, air tube, combustion head, cad cell eye and relay, j-tube, and primary control), oil filters, air filters, firomatic valve, thermostat (pro 1000), blower components (belt, pulley, bearing, and lube), expansion tank (#30), hy-vent, smoke pipe, and gaskets.

*"Feel free to call me with any questions, big or small. I'm here to make sure you receive the highest level of customer service." – Matt Allen, Service Manager*
